STONE & TILE COMPANY

About Us

M Stone - Texas, has been established after gaining years of experience, market research, and know-how about the development of natural stone products.

Our company owns some of the largest quarries in India, and we enjoy exclusive patronage of some of the best mining, production and finishing facilities in India, China and Europe. We pride ourselves on providing high quality products and service.

M Stone assures that it sources material from companies known for environmentally friendly practices and no child labor is involved in production of its products.

Design Guide

Natural Stone looks most authentic when laid in a random design; this type of layout is also very suitable for most of our paving ranges. There are no fixed rules for random layouts and it is not difficult to obtain a pleasing effect - let your own taste and judgement produce a layout that looks right to you.

Details of pavers used in this design

Key	Size (cm)	Size (Inches)	Uncut Qty	Cut Qty	Total Qty
A	30 x 30	12" x 12"	14	0	14
B	30 x 60	12" x 24"	8	0	8
C	45 x 60	18" x 24"	4	0	4
D	60 x 60	24" x 24"	12	0	12
E	60 x 90	24" x 36"	5	0	5

NB: Bradstone recommends dry laying the product to check the area required. Summary usually allows a nominal 1-1.5cm joint width.

Ethical Trade Practices

We at M Stone engage in ethical trade practices and the welfare of the workforce working in our mining, quarrying and production facilities is our prime objective. While the safety and security measures are well entrenched in our work practices, we also take initiative to assure good living and medical facilities for our employees.

At MStone, social responsibility is not an obligation, but an expectation. It is engrained within our framework and we make sure to take care of our community in a variety of ways. Our primary objective is to contribute positively to the underprivileged communities by supporting a wide range of socio-economic, educational and health initiatives. Through our patrons in India, we are engaged in sponsoring the education of all the children of our labor force throughout our facilities.

Hope Is Man's Greatest Strength...

We must ensure no person lives without this strength.
